

THE DEMING COOPERATIVE

The Journal

An online and open reviewed Journal for academic and management science publication relating to Dr. Deming's management thinking and philosophy.

Scholar-Practitioner Seminar

Exploring relationships between his ideas and those of others who have advanced theory and knowledge for the governance of organizations and those who experience application of these ideas.

Cooperative Blog < Future Activity >

Publications < Future Activity >

Oral History

Capture, archive, and make available video and audio recordings of experiences with Dr. Deming himself and with the application of his ideas.
